## DES MOTS, ET RIEN D'AUTRE

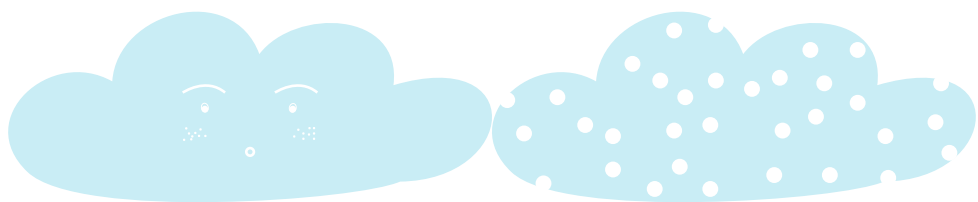

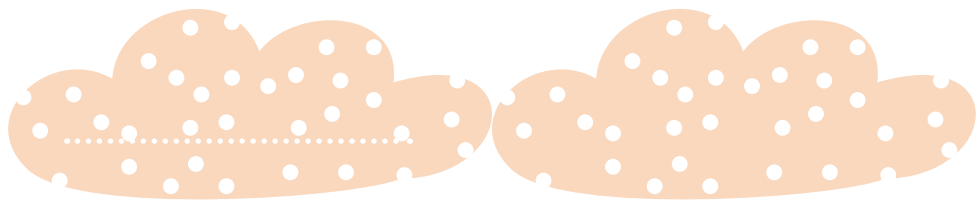

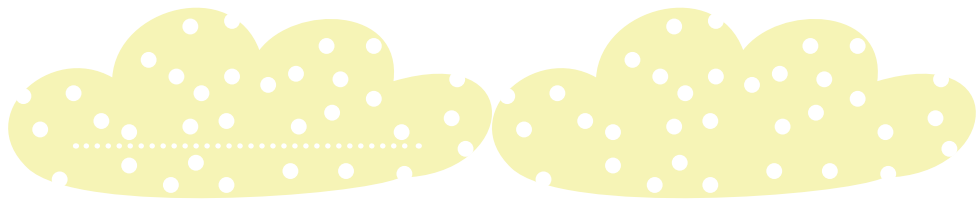

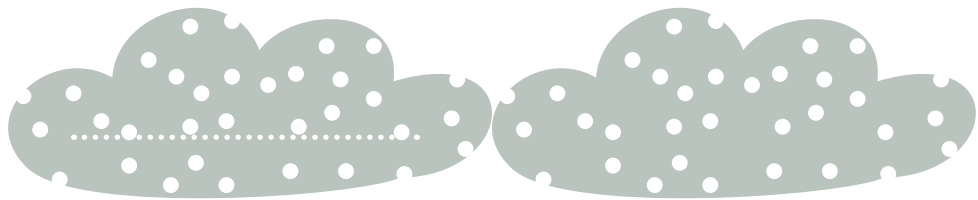

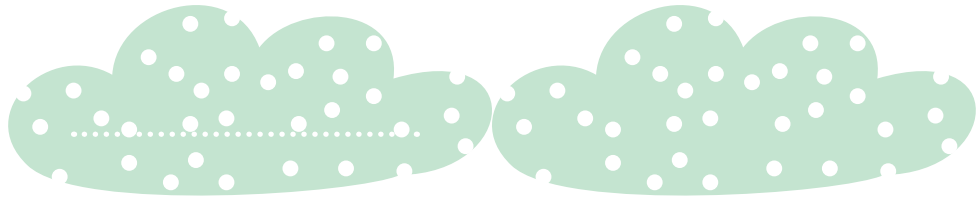

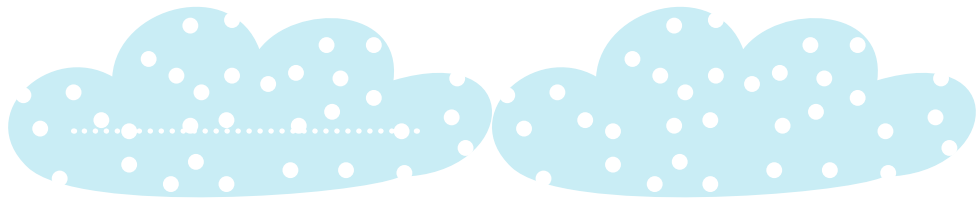

*Kit de lecture*

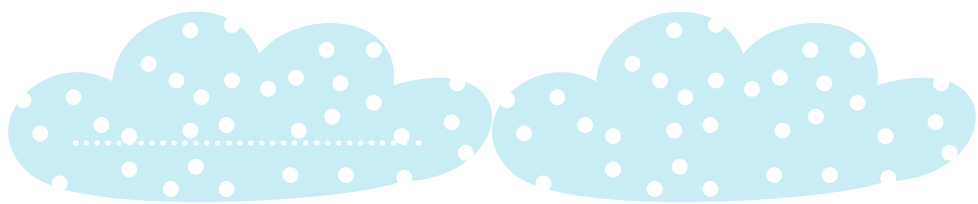

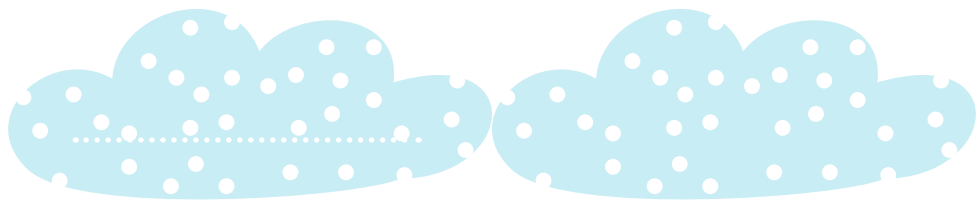

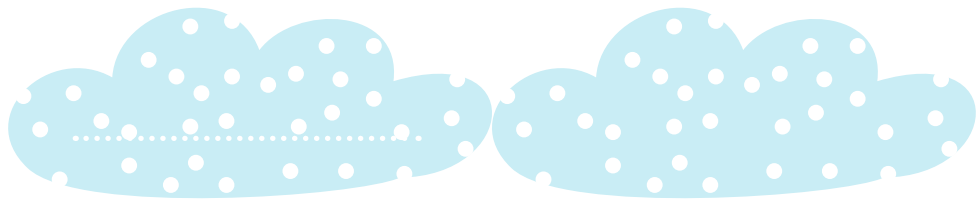

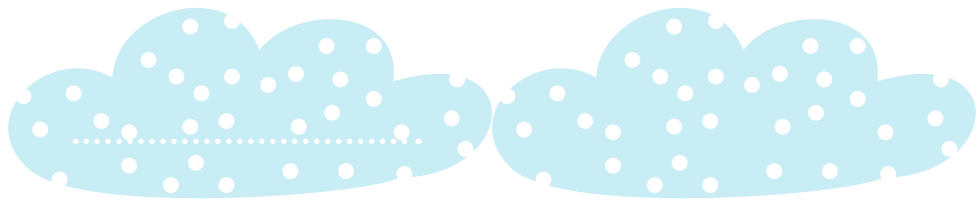

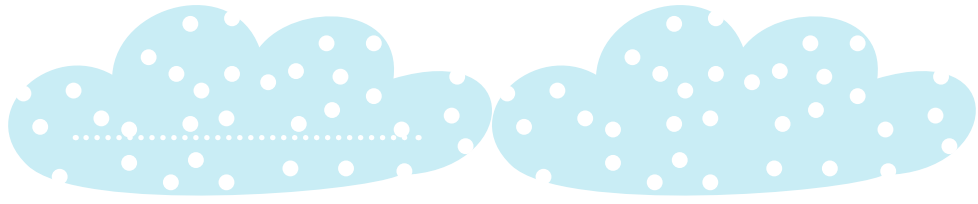

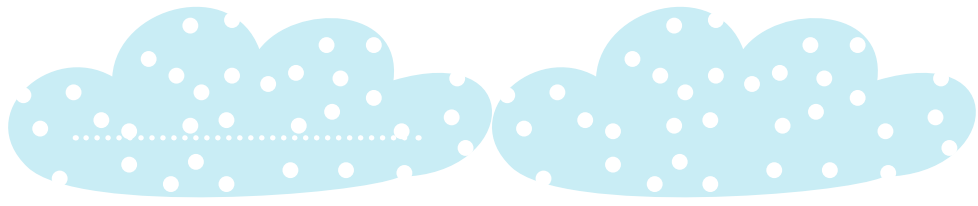

Les livres, font partie de mon quotidien, et souvent de mes amitiés. J'offre un livre comme je délivre un secret. Les livres sont une façon de dévoiler sa confiance, son ressenti, ses rêves. J'emprunte les mots des autres.

J'ai pensé ce "kit de livres", comme un cadeau tout doux, presque poétique, au bord de l'enfance pour offrir des histoires : souligner des émotions, gribouiller vos coups de coeurs, glisser des ressentis, des intuitions, des arrêts de coeur.

J'espère de tout mon coeur qu'il vous fera utile.
